

NATIONAL INDUSTRIAL CONFERENCE BOARD

INCORPORATED

460 PARK AVENUE, NEW YORK 22, N. Y.

JOHN S. SINCLAIR
PRESIDENT

For the April 13th Board Members' dinner which is the 376th in our regular series, we believe we are especially fortunate in having obtained as speakers The Honorable George M. Humphrey, Secretary of the Treasury, and Dr. Gabriel Hauge, Special Assistant to the President. Mr. Humphrey wanted me to tell you that in accepting our invitation he had to make the usual reservation that he might have to excuse himself at the last moment if some matter of unusual national import should require his presence in Washington that evening.

Mr. Humphrey and Dr. Hauge will give us quite informally and "off-the-record" their opinions on the fiscal and economic outlooks at that time. Plan to ask them your questions concerning their respective fields at this session.

Following our usual custom for these dinners, they will be informal and "off-the-record." We shall start with a reception for Mr. Humphrey and Dr. Hauge in the Ballroom of the Waldorf at 6:00 P.M., Dinner at 6:30 P.M., with adjournment at 9:30 P.M.

Because of the widespread interest in the Administration's spending program and its implications for the future, we are making provision for all Board Members in attendance to bring one or two guests with them. The enclosed card is for your convenience in providing spaces for yourself and the guests you may wish to include. Please return this card to me just as soon as your plans have been made.

John S. Sinclair
President
